And on line 2 of the contract at:

This letter is official notification under [Section 512\(c\)](#) of the Digital Millennium Copyright Act ("DMCA"), and I seek the removal of the aforementioned infringing material from your website and other platforms you have published the audit.

I am providing this notice in good faith and with the reasonable belief that rights owned by Reflect.Finance are being infringed upon. Under penalty of perjury I certify that the information contained in the notification is both true and accurate, and I have the authority to act on behalf of the owner of the copyright(s) involved.
